Healing Touch Level 1

Course Description: Healing Touch is an energy-based therapy in which practitioners consciously use their hands in a heart-centered and intentional way to support and facilitate physical, emotional, mental, and spiritual health. The goal of Healing Touch is to restore balance in the human energy system. This is a program of study offered by the national Healing Touch Program. (www.HealingTouchProgram.com)

Who Should Enroll? Healing Touch is a nursing-based continuing education program for registered nurses, physicians, body therapists, counselors, other health care professionals, and individuals desiring an in-depth understanding and practice of healing work using energy based concepts.

What You Will Learn: Upon completion of this class, you will be able to

- Describe the human energy system's relationship to physical, emotional, mental, and spiritual health
- Discuss energy principles basic to Healing Touch
- Demonstrate how to assess the energy field and energy centers
- Perform a basic Healing Touch sequence**,** including specific intervention techniques used in Healing Touch
- Relate applications of Healing Touch in personal and/or professional practice

Where: Locations vary. You will receive specific directions with your confirmation letter.

Parking: You will receive parking information prior to class.

Course Fee: ***The registration fees include the course notebook and the Level 1 Technique Cards.***
