Healing Touch Level 2

Course Description: Healing Touch is an energy-based therapy in which practitioners consciously use their hands in a heart-centered and intentional way to support and facilitate physical, emotional, mental, and spiritual health. The goal of Healing Touch is to restore balance in the human energy system. This is a program of study offered by the national Healing Touch Program. (www.HealingTouchProgram.com)

> **Level 2** is for students who have completed Level 1 and wish to increase breadth and depth in the study of Healing Touch. The second level of study in Healing Touch includes an intake interview, back techniques and a one-hour healing sequence. Emphasis in the experiential learning is on developing healing sequences for specific client needs.

Who Should Enroll? Healing Touch is a nursing based continuing education program for registered nurses, physicians, body therapists, counselors, other health professionals, and individuals desiring an in-depth understanding and practice of healing work using energy based concepts.

Upon completion of this class, you will be able to

- Demonstrate client interview and assessment skills
- Perform a one-hour healing sequence for specific client problems
- Describe the documentation process of clinical work
- Perform back and neck techniques
- Describe applications of Healing Touch in personal and/or professional practice

Where: Locations vary. You will receive specific directions with your confirmation letter

Parking: You will receive a confirmation with parking information prior to class.
