

## TAKING CARE OF OUR COMMUNITY

The Carolinas Medical Center (CMC) family takes our role as the caretaker of our local community very seriously. In fact, delivering progressive, patient-focused healthcare to the friends and neighbors we see each day is at the core of everything we do. Each of our over 48,000 employees is committed to providing you and your family with the service, quality of care and compassion that you deserve. Whether you're new to the area or have been living here for years, we want you to feel good knowing that the CMC family is in your neighborhood. We bring together people, technology and compassionate care for a lifetime.

## LEADING THE WAY IN THE COMMUNITY.

Here are just a few of the facilities you'll have convenient access to as a member of the CMC family.

### **Carolinas Medical Center-Pineville**

CMC-Pineville is undergoing a \$300 million transformation into an advanced, full-service medical center that will provide an even higher level of care by 2012. The hospital has been honored by J.D. Power and Associates for excellence in maternity, emergency and inpatient care.

### **CMC-Steele Creek**

The first facility of its kind in the region, this healthcare pavilion includes a 24-hour emergency department, a variety of physician practices, advanced diagnostic imaging capabilities, CMC Rx Pharmacy and comprehensive laboratory services.

### **Levine Children's Hospital**

Located on the campus of CMC, Levine Children's Hospital is the largest children's hospital between Atlanta and Washington, DC and is home to the region's first 24/7 children's emergency department. It was also recently named "One of America's Best Hospitals" by *U.S. News & World Report*.

### **Carolinas Medical Center (CMC)**

One of the largest hospitals in North Carolina, CMC includes a Level I Trauma Center, a research institute and specialty units providing heart, cancer and organ transplant services.

### **Blumenthal Cancer Center**

This distinguished center offers the latest advances in cancer detection, diagnosis and treatment and was named a "Blue Distinction Center for Complex and Rare Cancers" by Blue Cross/Blue Shield. The center also has a location at CMC-Pineville with specialists in radiation and surgical oncology conveniently located in your community.

### **Sanger Heart & Vascular Institute**

Providing total cardiac care including preventive, diagnostic and full-range treatment of cardiovascular disease for pediatric and adult patients, Sanger Heart & Vascular Institute includes the region's only heart transplant program. Sanger Heart & Vascular Institute also has a location at CMC-Pineville, bringing comprehensive cardiac care to South Charlotte and upper South Carolina.
