

**Emergency Medical Services Fellowship Program  
The Center for Prehospital Medicine  
Department of Emergency Medicine**

**Carolinas Medical Center**

***Affiliated with the*  
The Mecklenburg Emergency Medical Services Agency**

**Abstract Presentations by Faculty and Former EMS Fellows**

- Roberts D, Blackwell T, Marx, J. Emergency Medical Care for Spectators Attending National Football League Games.  
1995 NAEMSP Scientific Meeting  
San Diego, California
- Sasser S, Brokaw M, Blackwell T. Paramedic versus emergency physician decisions regarding the need for emergency department evaluation.  
1998 International Congress on Emergency Medicine  
Czech Republic
- Kaufman JS, McDermott TD, Blackwell TH. Relation between community median income and 1996 emergency services transport time in a metropolitan U.S. county.
- Ossmann E, Sasser S, Blackwell T. Biphasic external defibrillation in an urban EMS system  
1999 NAEMSP Scientific Meeting  
Marco Island, Florida
- Apfelbaum J, Mitchell K, Blackwell T. Invasive airway techniques in the tactical EMS environment: a comparison of endotracheal intubation, digital intubation, and the laryngeal mask airway.  
2000 NAEMSP Scientific Meeting  
Laguna, California
- Blackwell T, Kaufman J. Response time effectiveness: comparison of prehospital response time and survival in a metropolitan county.  
2000 NAEMSP Scientific Meeting  
Laguna, California
- Duncan BR, Myers B, Blackwell TH, Watts BA. The effect of incorporating automatic external defibrillators into an airport emergency medical response system.  
2001 NAEMSP Scientific Meeting  
Sanibel, Florida
- Duncan BR, Myers B, Blackwell TH, Watts BA. Comparison of three alternative methodologies for delivering paramedic continuing education.  
2001 NAEMSP Scientific Meeting  
Sanibel, Florida
- White RD, Blackwell TH, Russell JK. The influence of transthoracic impedance on defibrillation, resuscitation, and survival in out-of-hospital cardiac arrest treated by basic life support providers with an impedance-compensated biphasic waveform automatic external defibrillator.  
2002 ACEP Research Forum  
Seattle, Washington
- Hasan N, Blackwell, TH. Rehabilitation following physical stress and endurance in police, fire, and emergency medical responders affiliated with a terrorism response team.  
2003 NAEMSP Scientific Meeting  
Panama City, Florida  
*Selected Best Fellow/Resident/Student Paper*
- Hasan N, Blackwell TH. Physical stress and endurance capabilities in police, fire, and emergency medical responders affiliated with a terrorism response team.  
2003 NAEMSP Scientific Meeting  
Panama City, Florida
