Choose one date:  Feb. 5   April 15   May 20   Aug 12   Sept 9   Oct 7   Nov 4   Dec 9

Time:  8:30 am – 4:30 pm

Where:  Carolinas College of Health Sciences, Rankin Education Center, CMC Campus (1200 Blythe Blvd., Charlotte 28203)

Why Should I Take This Class?
This Basic Phlebotomy Skills Workshop adds needed skills to your toolkit! This course is designed with the practicing healthcare practitioner in mind. You will review the test tubes and additives, proper order of draw, practice basic venipuncture techniques using the evacuated tube system and the winged-infusion set (butterfly), and LOTS MORE!

Who Should Attend?
Practicing healthcare professionals who wish to review the basic venipuncture techniques and national guidelines to enhance practice and patient care.

Participants Comments:

- Outstanding class! So many wonderful tips, and a great learning experience!
- It was all great. Thank you for all your hard work.
- Great class! I’ve learned more than I thought possible in one day and appreciated the hands on experience.

Workshop Objectives:

- Relate the mode of action and the importance of the additives and anticoagulants in the test tubes.
- Demonstrate the correct order of draw.
- Demonstrate the procedure for collecting blood with the evacuated tube system and the winged infusion set (butterfly) system.
- Optional: (depends on class level of expertise) Review CLSI guidelines for finger sticks and heel sticks

Registration Fee:   $ 169.00 per person

Faculty:
Susan Thomasson, MEd, MT (ASCP) SH, LMBT  Director, Continuing Education; Coordinator, Phlebotomy Program
Susan B. Patterson, MT(ASCP) Laboratory Manager, Kings Mountain Hospital

Parking:
If you are on the CMC campus, please park in your assigned place. If you are coming from off campus, you will receive a confirmation with the parking information prior to class.

Continuing Education Credit:  0.65 CEUs
This course has been approved for 0.65 CEUs (equivalent to 6.5 contact hours). Each 6.5-hour session can accommodate 12 participants.
